Dolenjske Toplice lies on the western edge of the Novo mesto basin in south-eastern Slovenia. Dolenjske Toplice has been a reputable health resort and spa for centuries. With its extensive range of state-of-the-art medical and wellness services and its swimming pool complex, it draws guests from all over Europe. Pools, filled with thermal or sea water, refreshing baths, relaxing saunas, invigorating massages suiting you down to the ground, beauty treatments and aesthetic procedures. Their three wellness centres feature everything you need for a complete relaxation of your body and soul. Terme Krka was the first one in Slovenia to establish a foundation for dialogue and collaboration between conventional and complementary practices with the primary goal of promoting optimal health and well-being.
