Bled Castle, which features on the cliff above the lake, offers an exceptional view of the beauties of Bled and the surrounding Alps. Last year it attracted a record 365,000 visitors. Many of them come to see the fabulous view of the lake with an island, still more curious it attracts the renovated restaurant Bled Castle, by March 2015, took Jezeršek catering I.l.c. In the restaurant of the Bled Castle, local and regional dishes are prepared in a modern and sophisticated manner, while maintaining a culinary heritage of Gorenjska and Slovenia. The renovated restaurant premises can accommodate up to 96 persons, while on the terrace there are 100 seats available. The room is suitable for a la carte lunch and dinner as well as for weddings, business receptions and other events. For special catering is also available Knights' Hall, which can accommodate up to 70 guests. Due to the large visiting domestic and foreign tourists in the castle advise you to book directly as soon as possible. Upon prior reservation lunch or dinner is free entry to the castle, in addition, it can be viewed until the printing works, a museum, a smithy and a wine cellar. There is also a rich accompanying program with medieval games, dances and costumes. The main objective of Jezeršek catering to Bled Castle establish itself as one of the most important culinary points in Slovenia, which offers modern interpreted traditional dishes and drinks, and a friendly and cordial service. For 2016 the plan is: the opening of the memorial shops in the castle tower and the renovation of the annual bar on the lower terrace, which will enrich the offer of Bled Castle.
