

## RESTAURANT VILA PODVIN RADOVLJICA

<http://www.vilapodvin.si/EN/>

The a-la-carte restaurant is run by one of Slovenia's best chefs – **Uroš Štefelin**. Uroš finds challenges in discovering forgotten local ingredients, getting to know them and creating new dishes in his own unique way. His source of inspiration stems from his own childhood when the family kitchen was full of the aromas of traditional Slovene dishes, when they prepared homemade sausages and enjoyed sweet treats such as dried must-pears.
