

HOUSE OF VINE FRELIH – ŠENTRUPERT

<http://www.frelih.si/>

Their vineyard story began in 1892, when Joseph Frelih moved in Šentrupert. He came from the plateaux, from where he brought the knowledge and love of the vine. At that time, phylloxera across Europe destroyed many vineyards. Joseph then bought a vineyard in Zadraga frustrated and started rebuilding. He was one of the first planted in the US based on grafted vines. At that time the vineyard was a huge 60 acres and planted was about 6,000 vines ...
