

RIMSKE TERME

<https://www.rimske-terme.si/de/>

Rich tradition and modern tourist services merge here. Return to the essentials: soothing nature, health, wellbeing and relaxation. You will return to the Roman paradise for some time in the wonderful environment with unique thermal water of Rimske Terme. Let go and enjoy life just like the ancient Romans did. The swimming pools filled with thermal water are designed along the lines of the Roman baths and cover 450 m². Rimske Terme holds an indoor and outdoor panoramic swimming pool, 4 indoor and 3 outdoor massage pools with water seats and beds. Your inner peace you can find in the Sauna Land Varinia equipped with Roman, Finnish, Turkish and infrared saunas. After the sauna, indulge yourself with wraps, scrubs, swirling air and undergo a Kneipp cure. You will get rid of everyday worries in 4 authentic stone baths from the Roman times and 6 modern baths to be enjoyed with your partner in the historical part of the water nymphs, whereas strengthen your immune system and restore your positive life energy with healing springs. They also offer unique massages and an overall pampering experience for all the senses.
